Quality Policy

The top management of OSP LABS PRIVATE LIMITED has defined its Quality Policy as under:

We shall work towards creating a culture of continual improvement across all our functioning areas to maintain our standing as one of reputed software developer firm. To achieve this, we shall identify risks and opportunities in all our processes and take appropriate actions to address the same.

Ensure high level of reliability and quality for our clients by consistently providing high quality services in a timely manner to satisfy client needs & expectations. Set performance objectives at functional levels and monitor them regularly.

Comply with all requirements of interested parties as well as statutory and regulatory requirements.

Focus on learning and development of our employees.

We are committed to comply with the requirements of the documented Quality Management System.
